## Dust Pro 6" — *The Pro's Choice*

Wide Open Blade Visibility – Impeccable Dust Control !

**Universal Collar** — fits all the major brands:  
Bosch, Dewalt, Fein, Hilti, Makita, Metabo.

6" Blade Capacity • 1-5/8" Depth-of-Cut • Superior Handling & Versatility

Retractable Corner Cover: Cut Inside Wall Corners & Fit in Tight Spaces

Highest Rated for Worker Approval & Versatility:

- wide open blade visibility
- "weighs less than a cup of coffee"
- superior dust control - "helps keep OSHA away"
- benefits of using a 6" blade:
  - 1) reaches recessed mortar joints,
  - 2) faster bed joint grinding
  - 3) eliminates using larger and heavier tools
- maintains dust control with corner cover open!

**\$195.00**

— Free Guard  
w/ purchase of  
20-blades.

Guards are shown attached  
to grinders — grinders &  
blades not included.

## Tuck Pointing • Crack Chasing • Tile & Wall Sawing

- Retractable Corner Cover - Increases Production:** Continue grinding into-and-out of inside wall corners and in tight-areas such as honeycomb ceilings in parking garages *without disassembling the guard & no parts to lose*. Designed for tuck pointing, its wide-open visibility and 6" blade capacity makes the Dust Pro 6" the #1 Choice for Crack Chasing & Cut-Out Projects!
- Durable, Lightweight Aluminum:** Instantly notice the difference in weight vs. competitive shrouds. *Dust Pro 6" with a 13-amp grinder weighs less than a competitive plastic dust guard and an 8-amp grinder!*
- Capture More Dust • No Clogging Inside the Housing • No Downtime:** Design maximizes suction to capture more dust: cleaner work site, health & safety all increase! *2" dust port increases productivity:* helps prevent unexpected dust clouds & unnecessary downtime from chunks of debris jamming inside the housing and at the hose connection.
- Universal Collar:** Use the grinder of your preference! Fits electric and battery grinders:

Bosch

Dewalt

Fein

Hilti

Hitachi

Makita

Metabo

Milwaukee
