6" Blade Capacity • 1-5/8" Depth-of-Cut • Superior Handling & Versatility

Retractable Corner Cover: Cut Inside Wall Corners & Fit in Tight Spaces

> Highest Rated for Worker Approval:

Versatility & Productivity "On the Wall":

- wide open blade visibility
- weighs "less than a cup of coffee"
- superior dust control to "help keep OSHA away"

> Blade Capacity: 6" x 1/2" – cut deeper, wider & faster. Versatility to go from 4.5" / 5" blades to 6", to:

- > Reach recessed mortar joints, grind 1/2" joints
- > Faster bed joint grinding, cut inside wall corners.

**\$195.00**

— Free Guard  
w/ purchase of  
15-blades.

**6-Pack: Buy-5-Get-1-Free**

- With Universal Collar, Use Your Own Grinder -

Net: \$162.50 ea.

Dust Pro 6" with a 6" Blade cuts 1-5/8" Deep: Eliminates using larger and heavier grinders.

## Tuck Pointing • Crack Chasing • Tile & Wall Sawing

Highest Rated: Worker Approved, Dust Containment, Lightweight, Production, Versatility, Visibility!

- **Retractable Corner Cover - Increases Production:** Continue grinding into-and-out of inside wall corners and in tight-areas such as honeycomb ceilings in parking garages *without disassembling the guard & no parts to lose*. While designed for tuck pointing, its wide-open visibility and 6" blade capacity makes the Dust Pro 6" the #1 Choice for deeper cutting & crack chasing projects!
- **Durable, Lightweight Aluminum:** Instantly notice the difference in weight vs. competitive shrouds. **HOW LIGHT IS IT?** Dust Pro 6" with a 13-amp grinder *weighs less than a competitive dust guard and an 8-amp grinder!*
- **Capture More Dust • No Clogging Inside the Housing • No Downtime:** Design maximizes suction to capture more dust: cleaner work site, health & safety all increase! *2" dust port increases productivity:* helps prevent unexpected dust clouds & unnecessary downtime from chunks of debris jamming inside the housing and at the hose connection.
- **Universal Collar:** Use the grinder of your preference! Fits electric and battery grinders:

Bosch

Dewalt

Fein

Hilti

Hitachi
